A four year old pointed to a child wearing an Alabama shirt and said, "That's a bad word! We don't say that at my house. **WAR EAGLE!**"

W.P.S. T-SHIRTS ARE AVAILABLE IN THE OFFICE FOR \$7 EACH. WE HAVE MANY SIZES AND COLORS (ADULTS AS WELL).

This and That...

- We now have forms on our website. You can find the current pre-admission record, medication authorization, release authorization, and child's medical forms on the site. Most important of all, we are now recognized when someone googles "childcare in Wetumpka, Alabama". Yeah, for us!
- We had a whopping total of \$3681 in pizza sales. After the tuition credits, the profit to the center was \$900. Way to go! Thanks to everyone who participated. Coleman Clark was the top seller and received a tuition credit of \$100. Sherri Johnston came in second place and received a tuition credit of \$50. The pizza needs to be picked up on Tuesday, November 10, at 3:00p.m.
- The teachers will be teaching about Cystic Fibrosis in early November. The three and four year old classes will be walking for this cause on Nov. 9. The money and forms need to be returned by Nov. 20.

Ms. ShaToya had her baby on October 10, 2009. Kylelin weighed in at 3 lbs., 10oz. and now weighs 4 lbs., 10oz. He should be able to come home from the hospital in the next week or so.

We want to thank Mrs. Leah Thomas for orchestrating the fall festival for the First Class. Activities included face painting, apple bobbing (no spit involved, they used their elbows), ring the pumpkin, bean bag toss, etc. Great fun was had by all!
